# Navigating Services

**Our program helps people use and find their way through the aged care system and other Community-based services.**

Care Finder facilitates the connection between individuals and the necessary support systems while ensuring continued connectivity.

## This program can help with:

- Guides individuals through the care assessment process, accompanying them through any necessary assessments to fulfill their requirements

- Direction and clarification regarding the care assessment process

- Finding and short-listing aged care providers in their area

- Completing forms and understanding aged care service agreements

- Checking-in once services are up and running to make sure everything is okay

- Connecting to services in the community, such as health, mental health, housing and homelessness, drug and alcohol services and community groups.

## Eligibility:

- Do not have a carer or support person who can help you link in with supports

- Are over 65 or over 50 for Aboriginal and Torres Strait Islander people or

- Over 50 or 45 for Aboriginal and Torres Strait Islander people on a low income and homeless or at risk of homelessness

- Live in City of Greater Geelong, Surf Coast Shire or Borough of Queenscliff

- Having difficulty accessing service.
