

COVID-Safe Participate Sites

WHAT TO EXPECT FROM YOUR COVID-SAFE SITE?

- Temperature checks and declaration questions on arrival.
- Density requirements at all sites. Each room will have a maximum capacity of people.
- Safe social distancing
- PPE such as masks and eye shields
- Strict hand hygiene including hand sanitising and hand washing
- Small groups and 1:1 supports
- COVID- Safe staffing bubbles, to minimise any unnecessary contact between sites

genU's number one priority is your safety. All the above will remain in place to ensure all our sites are COVID- Safe.
